At Witchwood School of Spells, Mia was excited for her first Potion Class. The teacher, Professor Broomstick, said, "Today, we are making a potion to turn you into something very special!" Mia mixed bat wings, spider legs, and her least favorite food — WORD 1. Suddenly BOOM! There was green smoke everywhere. When the smoke cleared, Mia saw that her WORD 2 had turned into WORD 3! Next, the whole class started shouting spells from their WORD 4 books. Another puff of purple smoke — and the teacher turned into a giant WORD 5! Everyone screamed WORD 6 and ran out of the classroom. Mia's face returned to normal after lunch, but she never ate WORD 1 again!
