

# NEW YEAR WISHES

*family & friends*

If I spent more  
time with my  
family/friends,  
I would...

I wish I had  
more ... with  
my loved ones.

If I could  
organize a  
perfect  
family/friends  
day, I would...

I wish I were  
better at...  
listening /  
helping...

If I could invite  
anyone over  
for dinner, I  
would...

I wish I could  
see my ...  
more often.

If I could  
surprise someone  
I care about, I  
would...
