

NEW YEAR WISHES

work & study

If I had more
focus at
work/school,
I would...

I wish I didn't
have so much...
homework /
stress...

If I could
improve one
skill this year,
I would...

I wish I were
better at...
presenting /
writing...

If I had a
mentor, I
would...

I wish I
could... finish
tasks faster /
learn more
efficiently...

If I could choose
my ideal
job/study
subject, I
would...
